- **Bachelor of Engineering in Electronics and Communication Engineering** *2019 - 2023*
Sri Shakthi Institute of Engineering and Technology, Coimbatore CGPA: 7.6

TECHNICAL SKILLS AND INTERESTS

Skills: HTML, CSS, Bootstrap5, JavaScript, ReactJs, NodeJS, ExpressJS, MongoDB

Version Control System: Git, GitHub

IDE Tools: VScode, IntelliJ IDEA.

Relevent Skills: Tailwind CSS, Sass, Material UI, Firebase.

Areas of Interest: Web Development, Software Development, Full Stack Development.

Soft Skills: Problem Solving, Self-learning, Communication, Adaptability

PERSONAL PROJECTS

- **Movie App**
A React-based web app with a recommendation engine for personalized movie suggestions.
  - Developed a Movie Recommendation App using React.js, Firebase, and the TMDb API with secure authentication, responsive UI, search functionality, and user profiles.
  - Utilized Firebase for authentication and real-time database management, ensuring secure user sessions and real-time updates.
  - Integrated the TMDb API to fetch movie data including titles, descriptions, and ratings.

- **Real time Chat App**
Implement user sign-up and login using Firebase Authentication. Allow users to create and update profiles,
  - Enable sending and receiving real-time messages using Firebase Firestore. Support for one-on-one and group chats, including sharing images, videos, and files.
  - Technology Used: Reactjs, Firebase, HTML, Sass.

- **CryptoFX**
CryptoFX is a landing page that displays real-time cryptocurrency data using the CoinGecko API.
  - Fetches and displays up-to-date cryptocurrency prices and market trends using the CoinGecko API.
  - Provides a clean and responsive user interface built with React.js.
  - Features dynamic data updates for accurate and current information.
  - Technology Used: React.js, CoinGecko API, CSS.

EXPERIENCE

- **Front End Developer Internship** *Jan 2024 - Apr 2024*
Inforvio Technologies onsite
  - Designed user interfaces, wireframes, and prototypes using Figma to create intuitive and visually appealing experiences.
  - Developed responsive frontend components and implemented interactive features using ReactJS, HTML, CSS, and JavaScript.
  - Collaborated with cross-functional teams to translate design concepts into functional and performant web applications. Acquired hands-on experience with tools like Figma for UI/UX design, IntelliJ IDEA for frontend development, and Git for version control.

COURSES AND CERTIFICATION

- **MERN Stack Development** Skill Safari- Coimbatore *Jun 2023 - Apr 2024*
  * Covered HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, RESTful APIs, and responsive design principles.
